MR. SAKATA VISITING UNITED STATES

Nurserymen wishing information about Oriental Seeds, may see Mr. Sakata at the Convention of the Illinois Nurserymen's Association, Hotel Sherman, Chicago, Illinois, January 15th-17th. Thereafter Mr. Sakata will make his headquarters at our office, 42 South Street, New York.

WARNING

Mr. Sakata reports from Japan that considerable quantities of *Viburnum bithuensis* have erroneously been collected as *V. carlesi* and that some of these lots have found their way to the United States. Greatest care should be taken in seed purchases of this item.

We still have a limited quantity of seed collected from carefully identified plants and offer

True *Viburnum Carlesi* Seed

\$15.00 per ¼ lb. FOB New York.

This Seasons Specials

We list a few of the species which this year have yielded a crop of exceptionally fine quality seed. In view of there being an abundance we shall be glad to quote special prices. Advise us how much you need.
